## PROJECT BUDGET

Grant applications with detailed, well-planned budgets that ultimately reflect benefit to students are more likely to be funded.

**Instructions:**

- List associated costs such as fees, resource materials, books, services, equipment, and supplies.
- **Include sales tax** in total cost as funds will be issued directly to the recipient; district tax exemption cannot be used.
- Round expenses to the nearest whole dollar.
- Payment for services to any one individual consultant (such as an artist or author) may total no more than \$599.
- **IMPORTANT: DO NOT identify teacher or school name** in the following responses. Identification within this portion of the application will render it disqualified.

	<b>Activity / Materials Description</b>	<b>Cost</b>
1.		
2.		
3.		
4.		
	<b>Total Links to Learning Funding Request (calculated)</b>	

Attach separate sheet, if needed.

If the total budget for your project exceeds the amount you are requesting from the *Links to Learning* program, provide your additional funding sources.

**Additional Funding Sources, if needed**

**Amount**

**Comments** (1000 character limit)
